THE COURAGE ECONOMY

Each pillar makes the next one possible.

MODEL — 8

Causal · sequential

THE LIE ECONOMY

... has less and less room to live

IMPORTANT WORK

Work that meaningfully moves the needle. Not merely necessary.

CURIOSITY

Why are we doing this? Questions are welcome here.

CHALLENGE

I don't agree — and here's why. Rewarded, not merely tolerated.

TRUST

An outcome of struggle, not an activity you schedule.

COMMUNITY

People who care about each other and about the work.

REINFORCING CYCLE

BELONGING RAISES AMBITION
